## TSD818 / TSD818AS ESD SAFE SOLVENT DISPENSER

TSD 818  
(Normal)

TSD 818AS  
(Anti-Splash)

Techco ESD safe dispensers are the easy way to dispense alcohol, acetone, isopropanol, ethanol, methanol, terpenes, thinner or any other similar liquids to use with swabs or wipes or cotton ball for cleaning applications.

The TSD818 allows easy one-handed operation of the dispenser's specially designed dish-shaped pump. The following describes the dispenser's features:

- Leak proof precision pump valve prevents content vaporisation and backflow.
- Stainless steel hinged cap lid keeps out impurities when not in use.
- Hexagonal shaped bottle ensures better stability during dispensing.
- Bottle designed for improved durability and sturdiness.
- Amine and amide-free bottle with non-migratory additives prevents contamination.
- Bottle meets the FTIR test requirements and is ideal for use in air-conditional and clean room environments.

The TSD818AS has additional feature of an anti-splash pump head. The specially designed 30° downward slanting orifice dispenses the solvent into the dish reservoir. This prevents the solvent from splashing upwards towards the operator even if excessive force is used when dispensing.

The dispenser includes a hinged lid to keep out impurities while not in use and the stainless steel pump head is to facilitate the use of aggressive solvents. A precision valve prevents contents to vaporize and leak. To ensure additional purity, the pump head is sealed with a cellon band seal when delivered.

### Specifications and ordering information:

- Part Number : TSD818 / TSD818AS
- Material of mechanical pump : Stainless steel
- Material of bottle : HDPE mixed with anti-static compound
- Surface resistance :  $10^9 - 10^{11}$
- Hazardous material : None
- Odour : None
- Capacity : 180ml
- Product dimension : 105mm x 59mm x 59mm (W x D x H)
- Product weight : 85g for TSD818 / 90g for TSD818AS
- Packing : 10 pieces per box / 930g per box  
: 20 boxes per carton
- Carton Measurement : 630mm x 310mm x 430mm (W x D x H)
- Gross weight : 20kg for TSD818 / 21kg for TSD818AS
- Net weight : 17kg for TSD818 / 18kg for TSD818AS
